

Job Title: 2020 Woodside Graduate Development Program

Woodside 2020 Graduate Development Program

Woodside is Australia's largest independent oil and gas company with a global portfolio, recognised for our world-class capabilities – as an explorer, a developer, a producer and supplier of energy.

As Australia's leading LNG producer, we are proud of our contribution to the community and to the nation. Our proven track record and distinctive capabilities are underpinned by 60 years of experience, making us a partner of choice.

Our producing LNG assets in the north west of Australia are among the world's best facilities. Today, our exploration portfolio includes emerging and frontier provinces in Australasia, the Atlantic margins and sub-Saharan Africa. We have significant equity interests in high-quality development opportunities.

Wherever we work, we are committed to living our values of integrity, respect, discipline, excellence and working together for a sustainable future.

What our graduates can expect

The career paths for graduates within Woodside are almost limitless. To help you find the perfect role for you, we'll provide opportunities for you to meet our people and get all the information you need to make the right choice.

We are committed to developing our people, to grow our technical and leadership capability. The Graduate Development Program is a key component of our strategy to build long-term capability. It is designed to attract and retain the best possible candidates. The three year competency-based program includes experiences and development opportunities, focussing on both technical and leadership skills to ensure that our graduates reach professional independence in an industry leading timeframe.

How you'll grow

Woodside seeks to create the right environment to support employees to succeed. We support our graduates via:

- Rotational assignments
- Site visits to our plants in Karratha
- Extensive on-the-job training
- Structured business and technical development
- Technical mentors and graduate buddy
- Involvement in our fast and dynamic graduate community - one of the largest in Australia
- A competitive remuneration package that includes performance-based incentives, superannuation above the statutory minimum and health insurance allowance.

We need graduates who strive for excellence, are motivated, enthusiastic and are in their final year of study or up to two years post-graduation.

We encourage domestic and international students who are studying in Australia to apply.
