

Dexus Graduate Program 2021

Space for the best in you

Space to grow, learn and excel

If you're right at the beginning of your career in property, we'd love to be considered as the springboard for your bright future.

We recruit graduates from a range of disciplines every year to complete a two-year rotation across a diverse range of Dexus teams, with graduates joining us permanently at the end of the program.

4 x 6 month rotations

Providing broad exposure across the business

Tailored approach

Aligning to your study and areas of interest

Learning and development

Ensuring your ongoing professional and personal growth

Mentoring and networking

Starting with your grad cohort and extending all the way to industry networks

We're a leading real estate group with a property portfolio of \$33.8 billion, but at our heart, we are a people business. From the spaces we own and manage to the experiences we enable within them, everything we do is driven by our passion for connection, creative thinking, wellbeing and the success of both our customers and our people.

Creating spaces where people thrive is our purpose, and central to the way we work.
