PROVIDE RELIEF TO QUEENSLANDERS IN NEED?

CHALLENGE ACCEPTED

99mm

Australia is prone to natural disasters. Our communities need support when these strike, so **we challenged ourselves** to help. In 2018, we launched the Disaster Relief Program to ensure Australians can access water if their supply has been compromised. So far, we've delivered thousands of cans of free drinking water to Queenslanders in need.

“ AT CUB, YOU GET CHALLENGED TO STEP OUT OF YOUR COMFORT ZONE AND GROW YOUR CAPABILITIES, WHILE GETTING THE SUPPORT NEEDED.

Lisa Nawarra, Intern

During her internship, Lisa dove head first into working on an advertising campaign, actively participating from creative ideation to production. Without any prior marketing experience, Lisa accepted the challenge and rose to the occasion, creating work she was truly proud of.
